«Switzerland needs the *Green Business Award* because change begins with discovering the right role models to orient yourself towards.»

Doris Leuthard
Jury President

If we want to preserve our planet for future generations, the economy must be part of the solution.

That's why the «Green Business Award » aims to inspire decision-makers to see corporate sustainability as a business opportunity.

Who can be nominated?

We are looking for solutions which combine ecological innovation with economic success.

- These are preferably innovative products, technologies, services or business models with pioneering character.
- The nominated solutions must have been established successfully on the market (growth phase has been reached).
- Their environmental impact must be measurable or allow for a credible estimate.
- The potential prize-winner must not be negatively tangent to the social dimension of sustainability.
- The solutions must be relevant to commerce situated in Switzerland
- Potential prize-winners must have the power to inspire people.

Exclusion

Excluded from participation are administrative bodies (exception: as part of public private partnerships), NGOs and foundations as well as sponsoring partners.

There is no right of appeal.

Award ceremony

The «Green Business Award» will be presented at the Swiss Sustainability Forum by NZZ Connect on 12/13 September 2023 in Bern.

The Swiss Sustainability Forum is the dialogue platform on the topic of sustainability. The multi-day forum is a powerful exchange and experience conference for business, science, politics and the general public.
